

# Taste It! at Fresh2you Volunteer Application

**Fresh2You Mobile Market** is seeking committed volunteers who are enthusiastic about cooking!

*Taste It! at Fresh2You* volunteers are outgoing, flexible and passionate about the mission of Chester County Food Bank and the Fresh2You Mobile Market Program.

Fresh2You Mobile Market, a project of the Chester County Food Bank (CCFB), provides fresh produce, healthy food staples, and educational resources to communities that lack access to high quality, affordable food. The market accepts SNAP/EBT and other food assistance benefits, and customers are provided with cooking and nutrition education resources. We place a priority on local sourcing, and we work in partnership with the Food Bank's Agriculture Program to offer a variety of fresh and seasonal foods.

## Position Description

*TasteIt!* volunteers are community ambassadors for Chester County Food Bank. They lead cooking demonstrations designed to introduce customers to new foods, and they provide guidance on how to cook them at home. Volunteers follow simple, seasonal recipes and pass out samples, which in turn inspires customers to purchase "Recipe Bundles" from the market and take print-outs of the recipe home with them.

## Potential Responsibilities and Duties:

- Wash and prep produce
- Cook outdoors
- Follow a recipe and talk about it with customers
- Hand out samples and chat with customers
- Adhere to ServSafe standards when cooking and cleaning (training provided)
- Keep station and equipment clean
- Commit to a market location to develop relationships with customers

## Skills and Requirements:

- Comfortable in the kitchen
- Passion for food justice and cooking
- Basic knowledge of fresh produce
- Able to follow a recipe and work independently
- Outgoing and personable
