

Fresh2You is seeking outgoing volunteers who are passionate about cooking!

Fresh2You Mobile Market, a program of the Chester County Food Bank (CCFB), provides fresh produce, healthy food staples, and educational resources to communities that lack access to high quality, affordable food. The market accepts SNAP/EBT and other food assistance benefits and matches those purchases with additional dollars for fruits and vegetables. We place a priority on working in partnership with the Food Bank's Agriculture Program to offer a variety of fresh and seasonal foods.

Position Description

TasteIt volunteers are the most impactful part of the Fresh2You Program! You will lead cooking demonstrations designed to introduce customers to new foods and fresh ideas on cooking. - Ability to stand outside in varying temperatures for 2 - 3 hours
