To Whom it May Concern,

[Business Name] is pleased to commit our support to Chester County Food Bank in the amount of \$50,000 through the Charitable Food Program (CFP) component of Neighborhood Assistance Program (NAP) for Fiscal Year 2024. As a socially responsible corporation, we recognize the critical role that food banks play in alleviating hunger and supporting communities. Chester County Food Bank is the central hunger-relief organization in the county, providing access to nutritious food as well as Education & Wellness programs.

The funds provided will be used to support food distribution throughout Chester County, ensuring healthy food access to those in distressed areas and would be eligible to receive 55% in state tax credits on this amount if the application is approved.

Please consider this letter as our official statement of contribution to Chester County Food Bank for the Fiscal Year 2024 NAP tax credit program. Thank you for the opportunity to maximize our impact by addressing food insecurity and strengthening our local community.

Sincerely,
